

RIVERSIDE

- MoDOT/Riverside Partnership
- Signalization, Lighting, Stormwater Improvements
- City Maintenance of West Platte Road
- Approximately \$1 Million Cost
- 2018 Design, 2019 Construction

PARKVILLE

Route 9 Corridor Project Update

- The City is hopeful to have construction completed in the 2019 construction season, but it may not be completed until spring on 2020.

View looking north towards Clark Ave. intersection along MO-Hwy 9:

PLATTE CITY

- Interchange Improvement project at Exit 18, Interstate 29 and Missouri Route 92.
- Project addresses a regional (north Platte County) project not just a local project.
- City has partnered with local, regional, state and federal funding sources
